**Advisory on Fraud Calls**

It has been brought to the notice of the Consulate that fraudsters claiming to call from the Consulate General of India are targeting Indian nationals in Hong Kong to either seek personal information like credit card details etc. or extort money under the pretext of some ongoing investigation by Indian authorities which requires them to file a report.

2. This is to confirm that no officials from the Consulate make any telephone calls seeking personal information from any Indian or foreign nationals. In case any additional documentation or information is required from an existing applicant, it is sought only through email(s) originating from the official email domain ending in @mea.gov.in.

3. The Consulate General of India hereby advises members of the public NOT to entertain any suspicious telephone calls made in the name of the Consulate General of India. They are also advised not to reveal any personal information or transfer any money in response to such calls.
