Advisory on Fraud Calls

It has been brought to the notice of the Consulate that fraudsters are making calls impersonating as consular officers with an intention to target particularly Indian nationals to either seek personal information under the pretext of some ongoing investigation/verification.

2. This is to confirm that no official from the Consulate make any such telephone calls seeking personal information from any Indian or foreign nationals.

3. Consulate General of India hereby advises members of the public NOT to entertain any such suspicious telephone calls made in the name of the Consulate General of India. They are also advised to NOT to reveal any personal information or transfer any money in response to such calls.
